Like watching home make-over shows? Come see how it's done. Each year, the Village Improvement Association of Doylestown sponsors a design house as a fundraiser for Doylestown Hospital and the many community programs supported by the VIA.

The home selected this year is Hill Crest Manor. This 1808 Victorian farmhouse sits on 5.5 acres. Remnants of 19th Century life remain, with a hand-pulled doorbell and a 'cash window' where field hands collected their weekly pay, ten foot ceilings, tall deep-set elegant windows, plaster crown moldings and pumpkin pine floors. Each design or landscape area shows you the "before" and helps you understand how the "after" happened . . . how to turn *your* space into "wow!"

Designer décor is available for sale throughout the house and gardens. Enjoy shopping in our boutiques and indulge and relax in our café after your tour. This is our way of thanking you for your service to our country. So, come and enjoy!

Present your military or Veterans ID to gain free entry for the military member (a \$30 value) and half price entry (\$15) for one companion on May 27 or 28, 2016 or the discounted price at other times.

Prices for additional guests:

\$25 - Advance Tickets - thru April 28 | \$25 - Senior (62+) Tickets | \$30 - House Tour Tickets - at the door
